**DETAILED ACTION**

***Allowable Subject Matter***

Claims 1-26 are allowed.

The following is an examiner's statement of reasons for allowance: The cited prior art does not teach or render obvious the combination of elements recited in the claims as a whole. Specifically, the cited prior art fails to disclose or render obvious the following limitations:

Regarding claims 1, 5, 13 and 20, it is noted that the prior art of Hot Shots Golf 3 teaches that the golf course surface is determined from visually directive points that flow at a speed responsive to the degree of slope on the surface, which is illustrated on page 17. However, Hot Shots Golf 3 does not teach a single dot for each grid line and the speed of the dot varying depending on the slope of the putting green.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure: Please see form 892.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Said Broome whose telephone number is (571) 272-2931. The examiner can normally be reached between 8:30am-5pm.
